THE 2ND REGIONAL UKRAINIAN CONGRESS  
**CONTROVERSIES IN NEUROLOGY**

**November 21-22 2019**  
**Kyiv, Ukraine**

*Dear Friends and Colleagues,*

We are proud to announce that the **2nd Regional Ukrainian Congress on Controversies in Neurology (CONy)** will take place in Kyiv, Ukraine, in November 21-22, 2019.

Since its launch in 2007, CONy has established itself as a unique educational conference where physicians can meet with world leaders in major neurological fields, and can be updated on the most pressing clinical questions of the day.

CONy provides a platform for international experts to discuss and compare experiences.

It enables participants to discuss and debate unresolved issues with international leaders in the field, thus providing the most available relevant data arming the clinician with reliable, up-to-date scientific information, helping in everyday patient care.

In order to develop regional representation, with active endorsement and support from Ukrainian colleagues, we launched the 1st Ukrainian Regional Congress on Controversies in Neurology (CONy) in Kyiv. This has met with great success, attracting 340 participants last year.

For the 2nd Regional Ukrainian CONy congress we again selected the most current interest topics: Epilepsy, Headache & pain, Movement and Neuromuscular disorders, Multiple sclerosis, Neuropsychiatry and Behavioral neurology, Stroke.

We cordially invite the local industry to join us for the **2nd Regional Ukrainian Congress on Controversies in Neurology (CONy)**. There are a number of sponsorship opportunities available, including industry-sponsored activities. In addition, we would be happy to tailor a sponsorship package to your specific needs.

Looking forward to meet you on 2nd Ukrainian Regional CONy Congress in the beautiful city Kyiv!

Sincerely,

**Prof. Amos Korczyn**  
Israel

**Nataliya Pryanykova**  
Ukraine

### **CONGRESS PROFILE**

Since its launch in 2007, CONy has established itself as a unique educational meeting where physicians can meet with outstanding experts in major Neurological fields, and can be updated on the most pressing clinical questions of the day.

### **AIMS OF THE CONGRESS**

- To promote excellence in the field of neurology, by discussing, in a debate forum, evidence-based data and expert opinions on current controversial issues
- To bridge gaps between the expansion of basic science and information, and their consolidation into clinical practice
- To promulgate ethics and standards of practice and treatment
- To reach consensus on controversial issues, through debates, round table discussions and plenary lectures
- To update international participants on pressing clinical and technological questions of the day
- To create a forum for the industry to meet with experts in the field.
